

I·GRACE

OUR MISSION

Our corporate culture is built upon enduring relationships—a place where corporate personnel, clients and architects are assured that quality, integrity and service are inseparable from our basic mission: building enduring value for our clients. The company is the logical extension of our belief that residential construction companies should be held to a higher standard and judged not only on the basis of uncompromising quality and service, but the quality of the total experience.

OUR STORY

For almost 30 years, the most discerning homeowners, architects and designers have chosen to work with *I-Grace*. Highest on the list of reasons are our unmatched expertise as a luxury homebuilder and provider of high-end residential services. Whether our clients are building, renovating or maintaining their homes, *I-Grace* knows that the process is as important as the outcome. This is why we firmly believe in accountability and provide our clients with peace of mind. We are detail-orientated, truth-tellers and dedicated creators of the exquisite; our focus is always on seeing our projects through with the highest levels of craftsmanship. Exceptional standards, uncompromising quality, keeping both our promises and commitment to serving our clients' needs no matter how big or small; while others may simply use these words, *I-Grace* lives by them.

OUR OFFERINGS

We are a high-end residential construction and professional services company that provides a wide range of integrated offerings, spanning the entire life cycle of a client relationship. Engagement structures vary and are tailored to meet the unique requirements of each and every unique luxury construction project. We firmly believe that a client relationship must be built on a foundation of trust and an unwavering commitment to exceptional quality, craftsmanship, expertise and concierge level service irrespective of a project's size, location or complexity.

*First we build
a great team...*

*then we build
a great project.*

*“We shape our buildings, and afterwards,
our buildings shape us.”* – Winston Churchill
